2015 SAC report

- Treasurer warning: revamping SB rebate (+ new bonus??)
- RSRs want a better “elevator pitch” for IEEE
 - Hackathons & fun
 - Link value of program to getting a job
- Recommend “SSR” for each section
- Industry perception
 - Crash courses / tutorials? **(Input please)**
 - Region-level “DL” from Industry
- Stop sending .doc attachments!
 - Students/YP read on phone
 - Many companies block
 - If you can’t summarize it...

Idea* pitching

- Pilot workshop at some Fall Area meetings (joint C/NW, ??) (optimistic: submit as first SPAX)
- [YP &] Students upload videos & promote on R6 FB page (single or team) (Nov)
- Lightning round at Rising Stars (Jan) (students compete for \$1500 prize money)
- Optimistic: students form teams; work on idea; submit idea for Student Design Competition in Spring

2015-2016++

- SLT at Area meetings
 - Nobody cares about IEEE structure (sorry)
 - Budgeting (rebate doesn't even cover ops)
 - Running a meeting (GOOD practices!)
 - Cold email templates for inviting speakers etc
 - Other event planning (SPAx & logistics)
 - Officer shadowing
- Encourage Regional awards submission!
- Future Leaders Forum (July in New Orleans)

Thank you!
